

“Going the extra mile with service and quality since 1986”

Mission Statement

BZ & Sons and its employees will diligently strive to provide consistent, quality sweeping and parking lot services to our customers.

In providing this service we will never sacrifice the safety or well-being of our employees, our customers or the environment.

We will accomplish this by focusing on employee training, as well as mission accomplishment through Best Management Practices (BMP).

Our performance and value to our customers and the communities we serve will remain our greatest strength and focus.
